Thesaurus of Sociological Indexing Terms

Sixth Edition

Barbara Booth, Principal Lexicographer
Updated by the Editors of *Sociological Abstracts*

Whether you're a researcher, a student or an information professional, you'll find this updated *Thesaurus of Sociological Indexing Terms* an invaluable tool for your research needs. It adds an important new dimension to your research in the field.

Now in its 18th year of use as the indexing authority for *Sociological Abstracts* and *Social Services Abstracts*, this reference source provides a comprehensive vocabulary for the storage and retrieval of information in the whole field of sociology.

This edition contains more than 4,000 main terms arranged alphabetically.

- **Each entry** is displayed with its broader, narrower, and/or related terms.
- **Scope Notes** provide brief definitions and suggested uses of terms.
- **History Notes** indicates dates where terms are added or deleted and link current variants with those used in previous systems.
- **Rotated Descriptor Display** lists terms in alphabetical order by each meaningful component.
- **"Use" and "Used For"** entries point to the most precise and specific descriptors for the topics at hand.
- **Descriptor Term Clusters** let you examine a predetermined conceptual grouping for widely researched topics such as: Sociological Theory, Sociological Practice, Gender and Women's Studies, Family, Research Methods and Statistics, Labor, Education, Law and Crime, Science and Technology, Business, Health and Medicine.

This Thesaurus is intended as a user aid for subscribers to *Sociological Abstracts*.
